

Taste of Hope Wine, Cheese and Beer Tasting Event

On June 18th Hope Center hosted its first annual wine, cheese and beer tasting event at Sprizzo's Café in Waukesha. The event was a success with over 45 people in attendance and in excess of \$5,000.00 raised for Hope Center so that they can assist in preventing homelessness. While guests enjoyed an evening with friends, this event also raised awareness for Hope Center. Pam Larsen, Hope Center Board Member and Chair for this event, deemed the event a huge success. Raffles were sold and silent auction items were available. A special thank you to the Taste of Hope sponsor, Church and Chapel Funeral Homes and Pre-Planning Centers, as well as to the silent auction donors. See you next year!
