

Tee Up For Hope 2011 3rd Annual Golf Outing

On Monday July 18th, 2011 over eighty intrepid golfers “Teed Up For Hope” in Hope Center’s 3rd Annual golf outing at Western Lakes Golf Club. They drove, chipped and putted their way through 18 holes of golf, in Death Valley like temperatures. After the day of temperature in the nineties they gathered in Western Lakes’ beautiful banquet hall for outstanding appetizers by Saz’s, and refreshing libations.

The golfers not only “Teed Up For Hope” on the course but, they also “Teed Up For Hope” in the raffles and silent auction.

In addition to the outstanding participation by the golfers, the sponsors and donors teed it up big time.

All this combined to make this year’s event a huge success, substantially ahead of last year’s. Listed below are this year’s sponsors and donors along with the event awards.

Lori Kallin and Ted Romberg of Ascension Lutheran Church, ELCA took this opportunity to present Hope Center with a \$3,000.00 check.

Hope Center thanks all those (especially the Golf Committee) who helped make this event as successful as it was and asks everyone to “save the date” for next year’s outing - **Monday - July 16th, 2012 – Fore!**
